

Notice to Open Access applicants (Inter State STOA i.e., through Power Exchange) regarding Wheeling Charges payment FY 2024-25 and uploading the wheeling charges payment particulars in TGSPDCL Web portal:

The Hon'ble commission has determined the Wheeling Tariffs (Wheeling Charges and Wheeling Losses) for 5th Control period i.e. FY 2023-24 to FY 2028-29. The following are the wheeling tariffs as determined by the Hon'ble TGERC for FY 2024-25 applicable from 01.11.2024.

Wheeling Charges		Wheeling Losses (in %)	
Voltage level	FY 2024-25	Voltage level	FY 2024-25
Long-Term and Medium-Term (in Rs/kVA/Month)		33 kV	3.18
33 kV	43.34	11 kV	4.07
11 kV	177.39	LT	4.70
LT	589.08		
Short-Term (in Rs/kVA/Hr)			
33 kV	0.0602		
11 kV	0.2464		
LT	0.8182		

Therefore, all the Short Term Open Access Applicants are initially requested to pay the advance wheeling charges payments as per the Wheeling tariff determined by the Hon'ble Commission for Long term, medium term and the same shall be adjusted as per the short term open access rates at the time of settlement from November 2024 onwards and the same shall be submitted in the online system of HTWC which is hosted in the TGSPDCL website <https://www.tgsouthernpower.org/> and click on "Wheeling Charges" link or directly logon to following link http://210.212.220.126:8080/HTWC/pages/New_WCEntry4WEB.jsp
